

# Horsham Town Watch

Horsham Town Watch is looking for residents who are interested in helping to keep our community safe.

Town Watch volunteers assist the police department with regular patrols in our neighborhoods, with parking at community events such as high school dances, and other assignments as needed.

Horsham Town Watch is a volunteer division of the Horsham Police Department's ChATS Community Policing program whose mission is to **Observe, Evaluate, and Report** activities in our community that may affect the safety and/or well being of our residents.

We are currently looking to increase the number of volunteers available to cover certain areas and expand the program into new neighborhoods.

Volunteers must be over 18 and pass a police criminal background check. Training will be provided. Town Watch is a great way to get to know your neighbors and provide a service to your community!
