

## Horsham Parks Reopening Plan & Guidelines

Horsham Township Parks & Recreation has developed this reopening plan for the parks, amenities, facilities, programs and events it manages. The overall goal of this plan is to ensure the health and safety of park visitors and program participants. Each “Phase” refers to the phase that the Governor’s Office has classified Montgomery County as being in related to the COVID-19 pandemic. Please note that during the transition period between phases, park visitors should allow up to two weeks for facilities and amenities to be reopened by staff unless otherwise noted.

\*This plan is subject to revision upon further definite guidance provided by local, county, state and/or federal agencies. The most up-to-date version will be posted at [www.horsham.org](http://www.horsham.org).
